Points for discussion in group work

Country:_____

Moderator:_____ Note taker: _____

Please talk to each other about problems you have encountered during your work with MSM in the field. Focus on communication and discussions with MSM, condom promotion / distribution, referral to services, and relations with stakeholders / gatekeepers (police, shop owners, 'gangsters', other people at venues where MSM are). Also discuss ways you have (or have not) resolved these problems.

Problems encountered:	Solutions tried (pls also list solutions that did not work):	Assistance needed (if any), and from whom:
