FINDINGS

SHARING
Time, space, contents.

NEW MEDIA
Important allies and new possibilities.

EXPERIENCE
Learn from their actions and reactions.
FINDINGS

HUMAN RESOURCES
Operator, facilitators.

MANUALS & FLEXIBILITY
Essential for synchronization and management
EXPECTED RESULTS

Components and Elements
for an effective program and deployment

Program design
easily and simply feasible, focused on global education

Communication channels
to reach as many as possible children around the world
Participating in this special lecture, I could interact with people around the world, we could see the total solar eclipse together and it was very exciting. I want to become a scientist in the future.
PEACE!
