2) Travel from the airport to the Meeting Venue

All participants are responsible for arranging their own transportation from and to the airport. Most airlines will land in Bangkok’s Suvarnabhumi International Airport, but some budget airlines such as AirAsia have relocated to Don Muang International Airport. Please check with your airline/travel agent to confirm your destination.

a. Taxi

The most convenient way to get from the airport to the city is by taxi. There are two kinds of taxis: the more expensive limousine taxi and the public meter taxi. If you wish to take an airport limousine, check with the limousine counter inside the airport.

Traveling from Suvarnabhumi International Airport to the hotel
To travel from Suvarnabhumi International Airport to your hotel, use a metered taxi located outside the airport building one floor below the arrival hall. Follow signs for “Public Taxi”. There are kiosks which issue you a ticket with the number of the parking space where the taxi should be waiting. (Note: Sometimes the taxi may not be at the spot. Please wait until one shows up.) Tell the taxi driver your destination. You need to pay the expressway toll when you get to the toll gates (around Baht 75). The taxi fare to the hotel is around Baht 300, but you have to pay an additional service surcharge of Baht 50 on top of the price shown on the meter for taxis leaving the airport.

Traveling from Don Muang International Airport to the hotel
Taking a metered taxi is the most convenient ground transport option when getting to/from the airport. The taxi stand is located outside the Arrival Hall. Most destinations to downtown Bangkok cost around Baht 250. Add an additional Baht 50 surcharge to your fare when you pay the driver upon arrival at your destination. All tollway charges will be paid by the passenger at the toll gates.

Please print the address of the Pullman Hotel King Power Bangkok to show to the taxi driver if you have difficulties in communicating with the driver.

b. Train – Airport Link to Suvarnabhumi International Airport only

The Airport Link operates from 6.00 am to midnight daily. A single-trip journey costs between Baht 15 and 45 for the commuter service. The Suvarnabhumi Station is located under the main terminal building (B1 Level, two floors below the Arrival Hall). This line provides services between Suvarnabhumi Airport and Phaya Thai Station at the end of the line. The entire journey, covering a distance of 28 kilometers, takes about 30 minutes, with 6 stops along the way.

You can take the Airport Link to the terminal station at Phaya Thai. Pullman Hotel Bangkok King Power is walking distance from Phaya Thai BTS Skytrain Station.
