Next Steps for the development of MOOCs in Asia-Pacific
"Begin with the end in mind"

- Take stock of the regional needs, with focus on emerging economies to achieve national and global goals for quality education

- Conduct MOOC simulation on analysing learning analytics to promote quality higher education

- Collect case studies to distill practical advice for policy makers and practitioners that is culturally specific and relevant to the ASPAC region

- Prepare a synthesis report to share with stakeholders in the ASPAC region

2. Ways forward

1. On Line survey on MOOCS in ASPAC region

2. • Case Studies
   • Policy audit/inventory
   • Good practices

3. • Regional
   • Synthesis Report
Phase 1. Mapping: MOOCs Survey (On-Line)

- Context

- Policy Landscape (national policies and MOOCs strategies/roadmaps/action plans)

- Diversity of MOOCs in higher education and lifelong learning (types, courses, reach of MOOCs)

- Good practices (e.g. T&L, Assessment and Challenges)

- Innovation & Trends (what works)

- Remaining Challenges (what is not working yet-)
Phase 2. Case Studies

MOOCs in ASPAC

- Research Framework
- Umbrella topics
  - Awareness and Training
  - Infrastructure
  - QA and Accreditation
  - Ownership
  - Adoption
  - Exercise Economy
  - Ne size Fits all
  - Student engagement
Proposed Roadmap

2016
- Online survey/mapping the ASPAC MOOCs landscape

2017
- Case Studies
  - Synthesis Report for policymakers

2018
- Policy Dialogue for high level officials
- Community of Practice (COP)
  - webex
  - MOOCs calendar

2016-2018
