THE INTEGRATION OF EDUCATION FOR SUSTAINABLE DEVELOPMENT IN THE PAGSASARILI CURRICULUM

BEVERLY JOY F. CIENCIA, RGC
Administrative Coordinator
O. B. Montessori Child and Community Foundation, Inc.
O. B. Montessori Child and Community Foundation, Inc.
“Pagsasarili”

- It is a Filipino word which means the capacity to be self-sufficient and independent.
- It offers an innovative curriculum which provides a comprehensive program of the fundamentals of sustaining a dynamic life from early childhood to adult life.
Education for Sustainable Development

- On society, ESD challenges us to envision a society that is superior to what we have today and to make it a reality for our children and the next generation.
TRANSFORMATION VIA WORK towards INDEPENDENCE

- Unhappy
- Disobedient
- Quarrelsome
- Lazy
- Disorderly
- Happy
- Obedient
- Friendly
- Loves work
- Orderly
Education for Sustainable Development

• On economy, ESD promotes economic development through quality education.
Education for Sustainable Development

• On the environment, ESD focuses its efforts to building a sustainable future through the improvement of the day to day living of the people be it in their homes, workplaces, neighborhood, schools, etc.
