Airfare and Daily Subsistence Allowance (DSA)
UNESCO Bangkok will bear the costs of round-trip, economy-class airfare to/from Bangkok and reduced DSA of international participants. If you have not yet been contacted by us, we will contact you in the very near future to organize your air ticket, which will be issued to you as an e-ticket.

Reduced DSA will be provided in local currency (Thai Baht) to cover the cost of meals not provided during the workshop. DSA can be collected at the Secretariat table during lunch break of Day 1 (23 March 2015), upon submission of your original boarding pass(es).

In compliance with UNESCO administrative rules, UNESCO Bangkok will not cover terminal fare and visa fee of the participants.

Passport and Visa
The participants are responsible for ensuring that their passport is valid for at least six months from their travel dates (expiry date after 23 September 2015), and other required travel documents.

Participants are required to contact the Royal Thai Embassy/Consulate in their respective country and to apply for visa on their own, if a visa is needed. Please consult the website of the Thai Ministry of Foreign Affairs to check if your country requires a visa to enter Thailand. The cost of visa will be the responsibility of the participants.
Should you require assistance in obtaining your relevant visa, please contact UNESCO Bangkok (see contact details on the last page).

**Accommodation**

To simplify your logistical arrangements, we have reserved Single Deluxe rooms for participants at the Radisson Blu Plaza Bangkok for the period of the workshop. UNESCO Bangkok will settle the cost of the accommodation directly with the hotel for funded participants. Participants will be responsible to cover all extra expenses incurred during the workshop, including items consumed in the room, personal calls and usage of business center.

More information on the hotel is available on the hotel website: www.radissonblu.com/plazahotel-bangkok

**Meals**

Check-in participants can enjoy international buffet breakfast at the Radisson Blu Plaza Bangkok. During the workshop period, lunch will be provided for all participants at hotel’s 27 Bites All Day Dining Restaurant. In addition, UNESCO Bangkok is inviting all participants to a Reception Dinner on the first day of the workshop, Monday, 23 March, from 6:00p.m. at The Gallery on the 3rd floor.

On the evening of 24 and 25 March, you can enjoy good Thai cuisine and different international food that you can easily find in restaurants and malls near the hotel at a reasonable price.

**Exchange Rate**

The commercial rate is subject to change daily. The exchange rate for cash is slightly lower than for travelers’ cheques. There are banks and currency exchange kiosks located at the Suvarnabhumi Airport and near the hotel. ATMs are also located at various locations in a walking distance from the hotel (for exact locations please ask the hotel front desk). The current exchange rate is approximately THB 32.37 to USD 1.00 (UN exchange rate as of 1 March 2015).

**Weather and Attire**

The weather in Bangkok at the time of the workshop should be hot and humid in the daily temperature range of 27-34 C. Only light clothing will be necessary for outdoors; but it is worth noting that the hotel is fully air-conditioned, therefore it is advisable that you pack appropriate clothing for the workshop.

**Transport to the Hotel**

Bangkok’s Suvarnabhumi International Airport is located about 30km east of Bangkok. Please refer to the following website for a map of Suvarnabhumi International Airport: www.bangkokairportonline.com/node/85. There is only one terminal for departure and arrival of international and domestic flights. The Arrival Hall is located on Level 2, and there are three exits: A, B, and C. Exits B and C are for international arrivals.

Participants are responsible for transport arrangement from and to the airport. You have three ways to get to the downtown area: public metered taxi, limousine/taxi, and airport link. However, the most convenient and recommended way from the airport to the Radisson Blu Plaza Bangkok is by taking public metered taxi.

**Public metered taxi:** To use public metered taxi, look for the sign “Public Taxi” with arrow pointing down to Level 1 (Ground Level). After exiting the terminal building, there will be counters to queue at, and upon telling them your destination, both you and the taxi driver will be given a taxi ticket.
Travel to downtown Bangkok costs around THB 200 to 400 and there is an airport surcharge of THB 50 added to the taxi fare. Journey time could be from 30 minutes to over an hour depending on traffic. You may instruct the taxi driver to take the expressway, in which case a toll fee of at least THB 50 should be paid up front by the passenger. We recommend that you have small change of at least 100 Baht denominations, as taxi drivers usually do not have change for larger ones.

Please take note that, as you enter the arrivals, you will be approached by numerous people encouraging you to use their taxi service. There have been reports of illegal taxi operators so we encourage you to use either the public metered taxi or airport limousine.

Please print this direction in the Thai language and show it to the taxi drivers at the airport.
