

Group 3

TRACKING PROGRESS (EFA GOAL 4-6)

General comments

- ▶ Report tried to address a wide range of thematic areas
- ▶ Challenge to contain information within given frame
- ▶ Wide range of initiatives presented

Scope of data/indicators

- ▶ Selective use of data
- ▶ Alternative sources of data not used
- ▶ Incomprehensive use of data to present all aspects of Goals
- ▶ Inconsistency of data/indicators

Use of disaggregated data

- ▶ Limited use of disaggregated data
- ▶ Limited use of multiple sources
- ▶ Inconsistency of data and analysis
- ▶ Missing links between disaggregated data and policy objectives
- ▶ Limited use of time series data

Analysis of progress

- ▶ Missing link between data and policy analysis
- ▶ Statements are frequently not substantiated by data
- ▶ Initiatives presented out of context
- ▶ Little articulation between policies and results
- ▶ Missing text boxes presenting good practices

Consistency between data and conclusions

- ▶ Missing link between recommendations and analysis
- ▶ Few reflections on post-2015 agenda
- ▶ Only focus on unfinished agenda

Data sources

- ▶ Little consistency of data presented
- ▶ Data sources are not sufficiently identified, if at all
- ▶ Referencing is not systematic
- ▶ Sources described but not used
