Workshop Expectations

Min Bista
UNESCO Bangkok
Overall Objective of the Technical Workshop

Immediate Objective:
• Support countries in carrying out EFA 2015 reviews systematically

Ultimate objective:
• Enhance country capacity to review and analyze national EFA progress
Specific Objectives

• Build common understanding about EFA review processes and strategies;
• Introduce practical methods and processes for carrying out quantitative and qualitative assessment of EFA progress and national education strategies;
• Identify key elements that are critical in the development of post-2015 education agenda; and
• Share and seek feedback on the proposed structure of the national and regional EFA reports.
Expected Results

• EFA review processes and strategies defined/clarified
• Competencies in carrying out quantitative assessment of EFA progress and policy review of EFA strategies renewed
• Practical steps for identifying key elements for developing future education strategies agreed
• Reflections on country’s achievements, enabling/constraining factors, lessons learned and future outlook
• Chapter outlines for EFA Reports finalized
• Country work plans for national EFA review prepared
• Support strategies clarified
• Roadmap towards the Global Conference on Education 2015 agreed upon
Key Highlights of the Agenda

- 3 Components (Data analysis, policy review, agenda setting for post-2015)
- 20 sessions
