Guiding Questions for the Parallel Group Work of UNESCO and UNICEF Colleagues

**Purpose:** This session is designed to give UNESCO and UNICEF field colleagues an opportunity to discuss how they could support countries with their EFA reviews individually and collectively.

**Key questions:**

1. What is the overall status of EFA 2015 review at the country level (warming up question)? How adequate is the preparatory work undertaken by countries for the review so far?

2. What are the constraints/challenges that countries are facing in their reviews? How are countries addressing these challenges?

3. What efforts are being made to mobilize the support of different types of actors in the EFA review process at the country level?
   a) EFA partners (World Bank, UNDP, UNICEF, ILO and UNFPA)
   b) Donors/bilateral/multilateral agencies
   c) NGOs/CSOs
   d) Academia, research institutes/teacher unions
   e) Any other

4. What more can be done to mobilize the support of different types of actors? What are your plans to support the countries?

5. What technical support can UNESCO Bangkok provide? Are there specific activities that you would like UNESCO Bangkok to participate in and cooperate with you?
