NEXT RESEARCH TOPICS AND FRAMEWORKS

GWANG-CHOL CHANG,
CHIEF, EDUCATION POLICY AND REFORM UNIT

MOLLY LEE,
UNESCO CONSULTANT
1. POSSIBLE TOPICS FOR CONSIDERATION:

- Lifelong learning and higher education
- Rethinking the role of universities: social responsibility in higher education
- Reforms in university governance and management
- Regional cooperation in higher education
- Transition from secondary education to higher education
- Learning experiences in higher education
- Learning outcomes at higher education level
- Non-cognitive skills and competencies
- Defining “education outcomes” beyond test scores
- Effective teacher policies for better education outcomes
2. FEEDBACK RECEIVED (FORMAL AND INFORMAL)

- Reforms in university governance and management
- Transition from secondary education to higher education
- Learning experiences in higher education
- Learning outcomes at higher education level
- Non-cognitive skills and competencies
- Effective teacher policies for better education outcomes
3. PROPOSED TOPICS FOR UPCOMING RESEARCH

<table>
<thead>
<tr>
<th>FOR 2012</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Transition from secondary education to higher education</td>
</tr>
<tr>
<td>• Teaching non-cognitive skills in schools</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>For later consideration?</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Effective teacher policies for better education outcomes: defining and monitoring teacher quality</td>
</tr>
<tr>
<td>• Reforms in university governance and management</td>
</tr>
<tr>
<td>• Learning experiences or outcomes in higher education</td>
</tr>
<tr>
<td>• or any other topics?</td>
</tr>
</tbody>
