2014 ERI-Net Planned Activities

- ERI-Net Steering Group Meeting on 1-2 April 2014
- ERI-Net members will conduct the research in April-October 2014
  - Finalization of the research framework (April 2014)
  - Identification of the researchers (June 2014)
  - Country data collection & analysis (July-October 2014)
- 2014 ERI-Net Annual Meeting in Hanzhou, China (Oct./Nov. 2014)
  - Present preliminary findings
  - Co-organized by Zhejian University (host), KEDI, Tokyo Tech and UNESCO
Proposed additional research for 2014-2015

1. Mapping and analysis of school finance policies in the Asia-Pacific region.
2. Systemic review of education policies among the 2012 PISA participating countries.
3. Regional review of Global Citizenship Education
4. Review of the linkage between findings from learning sciences and education policies

ERI-Net members will be encouraged to participate as national experts.
Questions for Discussion

1. Who should be invited to ERI-Net for the 2014 studies and beyond?

2. In 2014, what can be done to increase visibility of ERI-Net work?

3. How can ERI-Net diversify its resource mobilisation base?
   1) Development partners?
   2) National governments?
   3) Academics?
   4) Private sector partners?

4. What are other research topics for ERI-Net to focus in the future?
