APEID Conference

What is APEID Conference?

• APEID (Asia-Pacific Programme of Educational Innovation for Development): A regional inter-country cooperative programme, approved at the 17th UNESCO General Conference in 1972

• The central mission of APEID is to contribute to sustainable human development, mainly at the post-primary level of education and focusing on educational innovation for development.

• The APEID Conferences, held since 1995, has been recognized as an important platform for policy dialogue and information/knowledge sharing on development-oriented education innovations in and beyond the Asia and Pacific region.

APEID Conference

Why participate?

• Increase understanding and knowledge about the teaching profession;

• Showcase and promote innovative approaches, projects and practices that prepare teachers for their profession and enhance their performances;

• Encourage national, regional and global collaboration to promote the teaching profession and revive teaching as a career of choice;

• Facilitate networking and exchange of experiences among the participants.
APEID Conference
