3 Accommodation
There are plenty of options as well as a wide price range for finding accommodation in Bangkok. If you begin your search before arriving to Bangkok, keep in mind that the UNESCO building is located in the south east of the city along the main road, Sukhumvit. You may want to choose accommodation that is near or within the vicinity of the BTS station (Bangkok’s skytrain, Sukhumvit line).
You may refer to the list of accommodation/apartments recommended by UNESCO at the end of this document.
"Wherever you end up staying, please be advised to take a hotel business card with contact details to facilitate your local travel, otherwise ask the hotel receptionist to write the hotel contact information down for you in Thai so that a taxi driver will be able to understand clearly your intended destination."

4 Visa
Participants should ensure that their passport is valid for at least 6 months from their travel dates. If a visa to Thailand is needed, the application process should be started immediately. Please contact the Royal Thai Embassy/Consulate in your country or check: http://www.mfa.go.th/main/en/services/123 for more information on visa requirements and applications. Should you encounter any issues with obtaining your relevant visa, please inform UNESCO Bangkok immediately.

For all participants, coffee breaks, lunch and a study visit are included in the course fees. Learning materials

There are banks and currency exchange kiosks located at the airport and near the hotel, but you may exchange from the hotel cashier as well. Currency exchange rate (counter rate) as of May 2013: **US$ 1 = THB 29 to THB 30 approximately.**

9. Climate in Bangkok
Bangkok in May approaches the beginning of rainy season. This season is characterised by frequent torrential downpours and in Bangkok this can mean the flooding of many streets and areas close to the river. Despite the frequency of the rains, it tends not to last too long and have a welcome cooling off effect on the weather in Bangkok. The rainy season still produces plenty of hot, sunny days where the temperature is often well over 30°C/85°F and made worse by 90 per cent humidity. Showers can occur at any time of the day but usually arrive in the late afternoon as convection builds up. For more information regarding the weather in Bangkok please visit: [http://www.tmd.go.th/en/province.php?id=37](http://www.tmd.go.th/en/province.php?id=37)

10. Transportation
Bangkok’s Suvarnamhumi airport is located about 30 km east of Bangkok. Please see the following website for a map of the Suvarnabhumi International Airport: [http://www.bangkokairportonline.com/node/85](http://www.bangkokairportonline.com/node/85). There is only one airport terminal; the arrival hall is located on level 2 while the departure hall is on level 4.

Participants are responsible for transport arrangements to and from the port of departure and arrival. In general, there are three ways to get to your hotel (please contact your hotel for direction): public meter-taxi, limousine service, and Airport Rail Link. For direction to/from your hotel to UNESCO Bangkok, please kindly refer to the map at the end of this General Information Note.

- **Public meter-taxi** can be found in front of the Terminal (level 1, ground level). There will be counters to queue at, and upon telling them your destination, both you and the taxi-driver will be given a taxi ticket. Travel to downtown Bangkok costs around B200 to B400 and there is a
compulsory airport surcharge of B50 which is added to the metered price. Journey time is anything from 30 minutes to over an hour depending on the traffic; you may instruct the taxi driver to take the expressway, in which case a toll fee of B45 should be paid up front by the passenger. Ensure you have small change of at least 100 baht denominations, as taxi-drivers usually do not have change for larger ones.

- **Limousine:** To get a limousine, contact the Limousine Service Center at the arrival level. The limousine pickup area is located along the outer curb, right outside the terminal building. Please be advised that the limousine services in Bangkok are much more costly than public meter-taxis, ranging from 1,000 up to 1,500 Baht per car.
