NAME : NORAZLINA OTHMAN
ORGANIZATION : INSTITUTE OF BRUNEI TECHNICAL EDUCATION (IBTE)
COUNTRY : BRUNEI DARUSSALAM
What areas of TVET are covered by the QA arrangements?
Within TVET, what are the main institutions that carry out QA?

At IBTE, QA is done in two steps:

1) Internal Verification – conducted by IBTE (QA team)
   - Staff teaching pedagogy observation
   - Students assessment internal verifier (Question paper, marking scheme, answer scripts)

2) External Verification
   - External verification by accreditation body i.e. BDTVEC
   - EICF representatives related to oil and gas programme
   - ISO QMS implementation audit
How is certification organised in your country?

Brunei Darussalam has developed its own Brunei Darussalam Qualification Framework (BDQF). This BDQF serve as a reference point and translation grid for all qualifications throughout the country in terms of recognizing qualifications issued within the country.

Student who successfully complete a technical education programme at Institute of Brunei Technical Education (IBTE) will receive IBTE HNTec or NTec Certificate awarded by IBTE.
One of the terms of reference of **IBTE Academic Council** is to oversee quality assurance and quality implementation in relation to the academic functions of the IBTE.

**Academic Council consist of :**

- IBTE CEO –Chairman
- IBTE Deputy CEO (Academic)
- IBTE Deputy CEO (Development)
- Principal of IBTE Central and Principal of IBTE Satellite
- Invited members
How do you see the UNESCO research helping your country?

- By understand the best practice of QA implementation among ASEAN countries
- By gaining knowledge on effective quality assurance framework in TVET
Thank you!

Norazlina Othman
Head of Research and Development
Institute of Brunei Technical Education (IBTE)
