

Points for discussion in group work

Country: ___VIETNAM_____

Moderator: _____ Note taker: _____

Please talk to each other about problems you have encountered during your work with MSM in the field. Focus on communication and discussions with MSM, condom promotion / distribution, referral to services, and relations with stakeholders / gatekeepers (police, shop owners, ‘gangsters’, other people at venues where MSM are). Also discuss ways you have (or have not) resolved these problems.

Problems encountered:	Solutions tried (pls also list solutions that did not work):	Assistance needed (if any), and from whom:
Difficult to access and reach the “hidden MSM”	Communicate with the friend of this group.	
The awareness and sympathy of community people about MSM population is still limit.	Organization edutainment activities at community	
Problems from the owner of entertainment services (Bar, Disco...)	Organize meetings with the owner every week/month.	
POWs have face with stigma and discrimination from local gorvenment.	Advocacy meetings at all levels.	
Free distribution of water based lube	Surporting from Individuals and organizations
