

**Regional Seminar for UNESCO
Resource Distribution and Training
Centre (RDTC)
23rd-25th November, 2016**

**Sustainable Partnerships for
Transformative Teaching**

Objectives of the Seminar 2016:

The objectives of the Seminar are to:

- provide the member TEIs with an avenue to actively exchange practical information (e.g. funding and partnership opportunities), perspectives and first-hand experiences on global partnership for ICT-integrated teacher education;
- set up a research framework to evaluate the impact of the UNESCO educational resources and the corresponding trainings;
- introduce training modules for the new directories of free educational resource;
- update each other on the RDTC activities of the past year and discuss future plans to continue the activities of RDTC network in 2017.

Open Space

Strategic
Planning
Session

“Open Space”

- Partnership opportunities
- Expectations for the network and sustainability
- Suggestions for RDTC improvement

“Open Space”

1. What do you, the participants expect from the network for the next 2 years?
2. How to sustain the network without too much of UNESCO’s intervention?
3. How to connect to our Seminar’s theme, which is ways in which we can partner together?

What would we like you to do?

1. Three areas for your input.
2. Write your ideas on post-it-notepad placed on your table.
3. Post-it on the relevant chart (three areas mentioned) placed at the back of the room.
4. Now discuss your ideas with your colleagues and share the ones you think are of utmost importance with all of us.

What Next?

UNESCO will write a report comprising the important points from this Session while taking into consideration the “singular voice/s” and circulate (if they see fit) and incorporate it in the strategic plan (as they consider feasible)
