Project Based Learning

Galaxy Bazaar
A Social Entrepreneurship Project

Bijal Damani
India
Does this represent YOUR classroom??
Want to turn it into something like THIS????
Many Teachers Have Done It......So Can You - Through.....

PROJECT BASED LEARNING

Learning in Action
LET’S SEE WHAT EDUCATORS AROUND THE WORLD ARE DOING.......
What is Project Based Learning?

- Helps in ‘Flipping the classroom’
- Teacher centric to Student centric approach
- Integrated curriculum method
- Real life problems – Real Life Solutions
- Learning by doing
Why Project Based Learning?

• Skill based
• Multi Discipline
• Engages and motivates students
• In depth investigation
• Life skills
• Indirect approach
KNOWLEDGE TRANSFER PROCESS THROUGH PBL
Types of Projects

• Individual Vs. Group

• Technology Vs. Skill building

• Problem solving Vs Researching
For Whom Is It Appropriate?

- Appropriate for **ALL** Age groups
- For **ALL** the subjects
- For **ALL** ability groups
Where Do You Get Project Ideas From?

• You know your students, their abilities, their interests.....**YOU** are the best source

• Internet Sites like E-Pals, PBL online, Edutopia

• Colleagues or teachers from other schools

• Conferences like this one
Role of Teacher in Project Based Learning

- Facilitator
- Behind the curtain role
- Driving force
- Director of the show
You Need To Have Following Qualities

Project Based Learning and ICT

PBL and ICT are closely connected. ICT provides the tools to enhance

• Creativity
• Connection
• Collaboration
• Critical Thinking
Sharing My Experiences
